2020
Tempranillo

Tasting Notes

Inviting aromas and flavors of black plum, dried figs and earthy minerality predominate. Enjoy the gorgeous integration of wild berries, chocolate, and warm spice tones. Tannins are smooth while medium level acidity creates harmonious balance and lend to the incredible structure of this rich, red wine. All elements of the wine contribute to a regal wine that is enjoyable today and with plenty of life to age well for years to come. Enjoy our 2020 Tempranillo on its own (the perfect wine for star-gazing or sitting by the fire) and with savory flavors of roasts, lamb burgers, and game meats. Grilled portabella mushrooms are great companions, especially when accented with a smoked or aged cheese. Cheers!
