## Tasting Notes

Mouth-water aromas of grapefruit, lime zest and apples are the ideal introduction to our 2022 Sauvignon Blanc. Bright acidity brings a crisp snap to the wine that is balanced with soft notes of cream. Refreshingly fruit-driven with notes of tangerine and green mango, this Sauvignon Blanc is dry while having rich fruit impact. Enjoy this wine with lighter fare: scallops, prawns, and oysters are ideal pairings. We also love to serve this wine with richer flavors so the wine can offer refreshment, such as corn chowder or quiche.
