Viognier

## Tasting Notes

Luscious tropical fruit notes of glazed pineapple, ripe mangos, and bananas mingle with jasmine for an alluring bouquet of aromas. These flavors follow through on palate where you will also experience melon, apricot, and lemon cream. Acidity provides vibrancy, a lively mid-palate, and a lovely long finish. This fruit-driven and dry white wine is ideal when paired with grilled chicken and seafood, and shines when paired with chutneys, and other slightly spicy sauces and condiments. Cheers!
