2014  
Tempranillo

## Tasting Notes

Smoky, spicy, and exotic, our 2014 Tempranillo expresses rich character in aromas and flavor. Medium-minus in acidity with medium-plus tannins, this balanced red wine expresses both power and finesse. A concert of aromas that include sweet cherries and fine leather play into the flavors of black plum notes with earthy/woody undertones and a touch of mocha. The finish of this Tempranillo is long and lingering. Delicious food pairings include smoky BBQ dishes, black peppercorn steaks, jambalaya and lamb roast.
