Tasting Notes

Dark and bright red fruit contrast in this beautiful and intricate Cabernet Sauvignon. Black plum and black currant pair up with cherry pie and cranberry to create an appealing balance of deep and bright fruit notes. Thyme, anise, fine leather and sweet earth offer dimension to this balanced and expressive Cabernet Sauvignon. Fill your cheese plate with aged cheeses and smoked cheddar for an ideal combination. Roasted, braised and grilled meats and game are perfect partners for our 2015 Cabernet Sauvignon.
